

## MOTIP Radiator Sealant

Ord.-no.: 090620

### Technical Information

Seal small cracks and small leaks easily and reliably in the cooling system of your car with MOTIP Radiator Sealant. Radiator Sealant for use in all water-cooled, closed cooling systems (commercial vehicles, passenger cars, industrial heat exchangers). Reliably seals critical hairline cracks and small leaks quickly and easily. Also for preventive use.

#### Quality & properties

- Prevents loss of cooling liquid and protects against engine damage
- Reliably seals critical hairline cracks and small leaks quickly and easily
- For use in all water-cooled, closed cooling systems

#### Physical & chemical data

- Colourname: Transparent
- pH-Value: 7,2
- Flash point: unbekannt °C
- Content: 300 ML

#### How to use

- Before use, carefully read the directions on the packaging and act accordingly.
- Check the coolant level.
- Add the product to the warm cooling system. Adjust al heater controls to 'hot'. One can (300 ml) is sufficient for cooling systems with 12 liters capacity.
- Let the engine idle for approx. 10 minutes.
- Check the coolant level again and test if the sealing was successful.
- Attention: Open radiator filling port slowly and gradually – risk of burning!

#### Environmentally sound

European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

#### Disposal

Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

#### Marking/Labeling

All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.

For any further technical questions call our hotline +31 (0) 561 69 44 00 from Monday to Thursday from 9 h a.m. to 3 h p.m. or on Friday until 12 h p.m.

**As of November 29, 2021** – This release replaces all eventually earlier issued versions.
